## REGARDING INAPPROPRIATE COMMENTS

The Norwegian Kennel Club has been made aware of, and presented with, derogatory comments and slander made by representatives of the FCI directed towards the Norwegian Kennel Club, and our representatives following our position regarding WDS 2019 in China.

The comments, made by members of the General Committee and members of the FCI Asia and Pacific Section, are best described as insulting and very inappropriate. The NKC welcomes difference in opinions, but we expect discussions to be kept at a factual level and in an appropriate forum.

The statutes for the General Committee (article 20/o) states that the competence of the GC is “to settle in a fair way any problem that may arise between two or more members/contract partners”. The NKC requires the same fairness applied in this matter.

The NKC welcomes your feedback on how this situation will be dealt with by the FCI.
